## 5 Non-Toxic Beauty Brands You Should Know About

We talked about the hidden chemicals that disrupt our hormones and are found in many of the beauty products we use every day. I want to highlight a couple of companies that are committed to creating beauty products free of these chemicals. The founders of these companies are dedicated to creating products that are chemical free and as affordable as possible.

### [100 Percent Pure](#)

100 Percent Pure is committed to be “completely free of all harmful toxins. They claim they are “the world’s purest, organic and all natural line of cosmetics, beauty products and skincare. They have a 100% satisfaction guarantee, free shipping and free and easy returns

### [Ann Marie Skincare](#)

Ann Marie started her line because she found that other organic lines weren’t working the way they claimed and not as organic as she would have liked. The Ann Marie product line has been noticed by major news industries such as: Fox News, Forbes, Huffington Post and The New York Times.

Their products are free of chemicals, Organic and Wild crafted, non-GMO, cruelty free

### [The Lip Bar](#)

As you might guess, this website is all about what you put on your lips.

Gluten free, paraben free, bold shades for women of color. Infused with Vitamin E, Shea butter and avocado oil.

## 5 Non-Toxic Beauty Brands You Should Know About

### [Plain Jane Beauty](#)

Plain Jane Beauty is “committed to creating luxurious, high-performance cosmetics using healthy, environmentally conscious vegan-based formulations.” They do not use processing agents that contain parabens, triclosans or propylene. They provide a variety of lip colors for women of color.

They use antioxidant-rich plant-based oils and certified organic extracts and mineral pigments that are FDA approved.

They encourage you to customize your regimen, combining products that help your specific skin and health.

### [Root Pretty](#)

Root Pretty is 100% Natural, vegan and cruelty free. They are committed to using products with no bismuth oxychloride- a harsh filler. They have products that are vegan, gluten-free, and have no harsh toxins. All of their products are made in the U.S.A.

This is just a sampling of some of the companies that are creating beautiful, safe products for you. To see more safe cosmetic companies, go to:
